

1.) Write down all body parts you can see. Where it's not 100% clear what I mean, I added the first letter of the missing word. Don't forget the article.

2.) The human body has got 2 arms, 1 nose, 10 fingers and so on. Write down all body parts in the correct category.

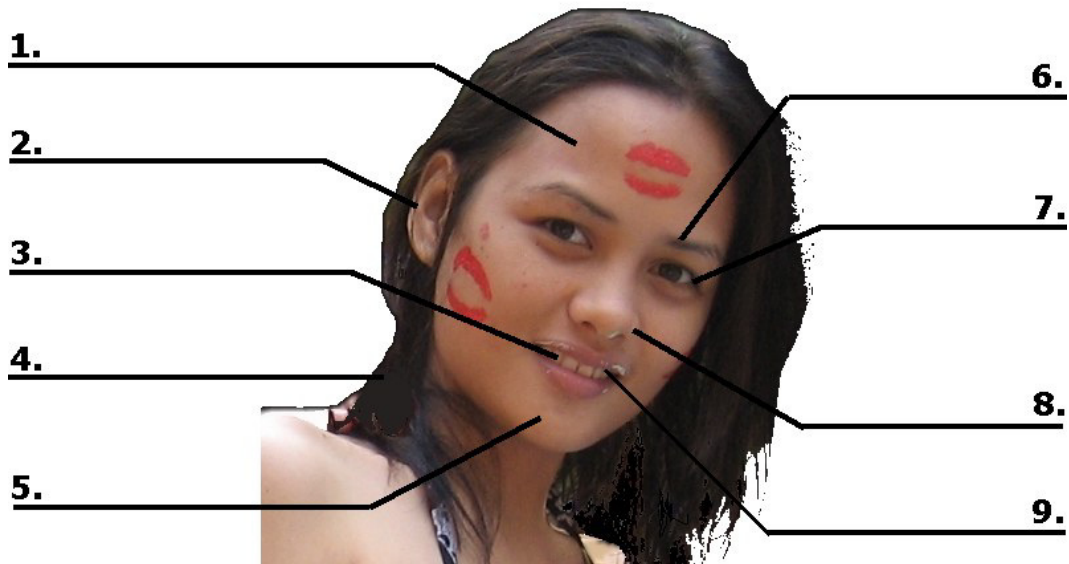

| number | body parts |
|--------|---------------------------------------------------|
| 1 | 1 Kopf, 1 Nase, _____ _____ _____ |
| 2 | 2 Hände, _____ _____ _____ |
| 10 | _____ |

3.) Which body part do you need to do the following things?

| ability | body part | ability | body part |
|-------------|-----------------|-------------|-----------|
| 1 sehen | <u>das Auge</u> | 6 sprechen | _____ |
| 2 riechen | _____ | 7 laufen | _____ |
| 3 schmecken | _____ | 8 essen | _____ |
| 4 denken | _____ | 9 schreiben | _____ |
| 5 hören | _____ | 10 küssen | _____ |

4.) Write down the parts of the face. Don't forget the article.

5.) Describe a person you know. use the new nouns and adjectives.

remember: conjugation of "habe": ich habe | du hast | er/sie/es hat | wir haben | ihr habt | sie haben

advice: you can use colours too: weiß | schwarz | grün | rot | gelb | blau | grau | beige | braun (don't worry about the endings of the adjectives – just guess)

1.) **Cathy hat ein hübsches Gesicht.** _____

2.) **Tom hat eine lange Nase.** _____

You could carry on with the length of your hair, the colour of your skin and so on – just use your fantasy.

3. _____

4. _____

5. _____

6. _____
