

1.) Fill in the demonstrative pronoun **dies-** and add the correct ending. (nominative and accusative)

hint: remember that you have to make 3 decisions before you go into the table to choose the demonstrative pronoun:

- Which gender has the noun? (male, female or neuter – I'll help you with this.)
- Which numerus has the noun? (singular or plural)
- In which case is the noun? (We will start in this exercise with *nominative* and *accusative* and add later in the following exercises *dative* and *genitive*.)
